

Lewistown Job Service Employers Committee

November 9, 2006

Present: Joe Eckhardt, Connie fry, Patse Hansen, Sandi Ludeman, Robin Fleming, Roy Jones, Nancy Wilson, Janis Duffy

Robin welcomed members to today's meeting.

There was no Treasurer's report due to the absence of the Treasurer.

Minutes of the last meeting were approved as submitted.

Old Business: Perry Brzezinski of KXLO-KLCM has expressed interest in joining our Committee. All agreed that Perry would be a nice addition and Janis will extend the invitation to him to join.

Janis sent around a thank you letter to the Beck Seminar co-sponsors for each Member to sign. Susan and Kathy will be contacted for signatures.

New Business: Brain storming ensued on topics for the spring employer seminar. Nancy suggested we compile a list of possibilities to go over at the next meeting. Janis will get a list of topics and presenters and also previous brochures from other JSECs; Sandi will bring a list of presenters her organization has used. Roy offered that a presentation on the changing workplace, low unemployment, etc. might be a possibility.

"Keeping the Good Ones" video was viewed and all agreed it was very good. Roy provided a list of videos that are available in Helena that can be checked out.

Janis mentioned that we will need to get new 5/1 posters since the minimum wage will be going up. Options are to have them printed locally as before or get them through Central Office as many other JSECs are doing. Janis will contact Ballyhoo printing to see if they still have our previous poster on file and what they would charge to update it. Roy will find out the cost of getting them through Central Office. Nancy suggested that we might want to

consider charging a small amount for the posters. Connie said she would be willing to keep a supply of posters available at the Chamber also. At any rate we will need to obtain the correct wording from Central Office before we can order.

It was decided that we will not meet in December; the next meeting will be on January 18, 2007, at the Job Service conference room.
